Reminder/Requests

- The 4th Grade will continue their Communion Classes during the entire month of March. All classes meet at 9:00 am, except on Palm Sunday, March 28, when there will be a review during class time.
- Join us Wednesday nights for Lenten Suppers throughout the month of March starting at 6:00 pm for a pot luck dinner, followed by a special program. Word has it that Vanna and Pat Sajak will return for some fun filled "Wheel of Fortune".
- Any hygiene and school kit donations should be put in the donation station. Please don't leave them in your closet.
- Our Sunday School bulletin board near the Nellie Prann Room has been given a fresh look. There is now a section where teachers can add photos of their class in action; it is called the "SNAPS". If you have pictures of SS and would like to add them feel free. If you need them printed, just send them to my e-mail.
- Vacation Bible School is planned for July 19 - 23. Please contact Amanda if you are interested in helping out during that week; ybs.drcc@yahoo.com.

Palm Sunday / Easter

- Palm Sunday is March 28 in which we will teach our Resurrection Egg curriculum for 4 years olds through the 6th Grade. Curriculum and eggs will be delivered to each classroom on March 14 for your review and planning. Please take extra care of the Resurrection Eggs for we do not want to loose the pieces. Please bring them back to my office right after you use them - do not put them in your classroom closet.
- The Maundy Thursday Service will be on April 1 @ 7:30 where the 4th Grade will be partaking in Communion for the first time. All members of the congregation are encouraged to attend as well.
- Please note there is no Sunday School on Easter, April 4.

RECYCLING

Our 7th/8th grade will be introducing a recycling program to our church during the month of March. Every class will have a blue recycling bin in their room for our new program. All Waste runs single stream recycling in which you can include white paper, colored paper, cardboard, magazines, catalogs, post it notes, plastics, foil (clean) and glass. Everything goes in that one container. We should now have very little in the regular trash containers. I will put the link on our church website for you to refer to as to what can be recycled.
