# Community Covenant

At The First Congregational Church of Deep River, we are a supportive and caring community which comes together to grow in our understanding of and commitment to a Christian life.

In that spirit, we agree to support one another in our efforts to abide by our Community Covenant to be:

*Responsible, Respectful, Prepared, Safe and Kind*

in all relations and interactions with others – classmates, teachers, congregational members and visitors.

I understand that my child will be asked to reflect upon his/her behavior if it prevents him/her from keeping this promise. When necessary, I know that I may be made aware of my child's need for reflection and made aware of the specifics of his/her behavior. My agreement to support my child's commitment to this Covenant indicates my willingness to discuss appropriate behaviors and choices with my child as needed.
