**It's a juggling act for our Trustees every year. The annual budget for 2010 is \$259,358
an increase of just \$4,146 over 2009 ... that's only a 1.6% increase.**

The reason why Stewardship is reaching out to you is that as of 2/15/2010 only \$175,675.10 has been pledged/committed by our congregation, that's a shortfall of **\$53,682.90** of the proposed budget of \$229,358. This doesn't include the "Prayed for" line of \$30,000. If you add up the numbers, the Trustees right now have \$83,682.90 that it can't even juggle as it's NOT committed/pledged dollars. If you forgot to send in your pledge card, or if you are a consistent giver in "prayed for", please consider sending in your pledge card now.

We know times are tight, but consider forgoing that cup of coffee on your way to work and bring one for the road from home; maybe dine out only once a month, or get free movies from the library. Any money committed, both small and large, help us continue the FANTASTIC programs and services you receive from our church.

Our church has so much to offer, won't you consider making a pledge ... a commitment to the future of our church and it's programs? Remember, the words of St. Paul, *"...God is able to provide you with every blessing in abundance, so that by always having enough of everything, you may share abundantly in every good work"* (2 Cor.9:8).
