### **Hanger for uniform**

**(plastic not metal incase of wet weather)**

### **Mosquito netting and poles**

Please leave at home radios, comic books, walkmans, Game Boys, CD players, TV's, etc. Articles such as these tend to detract from the scouting atmosphere that should prevail in a Boy Scout Camp.

### **READ ME**

Please note that some merit badges require the scouts to have specific things. For instance Swimming require that a scout bring *long sleeve button down* shirts and *long pants* for floatation. PROJECT COPE requires long pants for some activities. Camping merit badge requires a backpack per scout. Please review the requirements of each badge so scouts have the proper materials and equipment with them when they leave for camp.
